A sea view condo for sale just a 15 minute walk to Karon and Kata beaches. Great location, very popular for holiday rentals, with a 10% net return easily achievable. This is a studio apartment and can accommodate up to four people, good for a family with two small kids.

The condo is in fairly good condition for an eight year condo. Partitions can easily be installed in the living area at very low costs to turn it to a one bed apartment. There is a kitchen zone at the entrance, a bedroom in the middle part of the unit and a living area and a balcony at the end.

Great price for a sea view condo, the owner is looking for urgent sale. This won't last long!

Good facilities including a€¢Two swimming pools a€¢Gym a€¢Onsite juristic person office a€¢Covered parking for 20 cars a€¢Roof-top terrace - great for morning yoga

The building was recently repainted from the outside and is well maintained. Reasonable common area fees 50 THB per sqm.
