#### Leírás:

Wooded land, very flat with a gentle slope, in the farthest part of the Mas Pere urbanization. This urbanization has just been received by the Calonge town hall, so the streets are completely finished, with underground wiring, and the water and electricity connections at the very door of the plot, as well as the general sewage network, etc. This part of the urbanization is very quiet, and the land is surrounded by houses inhabited all year round. The distance by car to the town of Calonge is 5 minutes and 10 minutes to the coast.

The purchase costs (taxes + notary and registration) are not included in the price.
