CRECI RS No. 59970-F

PONTAL is unique... The most extraordinary and unreplicable location in Porto Alegre, on the banks of the Guaíba. The Pontal project will bring together a public park, shopping mall, hotel, event center, health hub, offices and offices. There are endless possibilities in a unique place. The infrastructure consists of an intercom, emergency generator, auditorium, community square, universal access and more.

The most modern tower of offices and offices, with all the infrastructure and comfort to make the day to day more practical, complete and enjoyable. The project meets ANVISA standards and has AQUA-HQE International Certification, following sustainability standards aligned with global requirements for

sustainable development.

Shopping Pontal is a charming, practical and fun-filled space, with large shops and restaurants, fully integrated with Parque Pontal. - REF: ITH3382
