This luxury, modern design villa with a private infinity pool and sea views is located on Cumbre del Sol in Benitachell between Alicante and Valencia city.

With a modern design and an elegant and bright layout, this villa has three bedrooms, all with en-suite bathrooms, with the master bedroom has a large dressing room. The ground floor of this property allows us to extend it to four bedrooms. The main floor is designed with open-plan spaces where the kitchen and living-dining room are joined together and open onto the main terrace with a beautiful private infinity pool and the porch.

The villa layout and design makes the most of the sea views, both from the bedrooms and from the living-dining room. A comfortable and sustainable villa, with underfloor heating throughout with aerothermal heating, a fireplace, installation of a self-consumption photovoltaic system, electric car charging socket and a selection of materials that provide quality and warmth to the house.
