The suburb of Thessaloniki is an excellent choice for those who want to be able to combine the proximity of a metropolis, while living close to the sea and the beach. The infrastructure of the suburb allows you to live here all year round, since there are supermarkets, shops, schools, a market, banks, a post office. At the same time, there is regular transport service to the city center.

We will sell your apartment or house.

There is a choice of apartments and houses in various budgets, including commercial properties.
