Elhelyezkedés

Ország:	Spain
Cím:	Altea
Feladta:	2025. 04. 04.
Leírás:	

Let us tell you a story.

High above Altea, between the whitewashed houses and the green of the Sierra de Bernia, lies a place where time stands still. From its terraces, the Benidorm skyline looms in the distance, framed by a protected green area that guarantees privacy, light, silence... and fresh air.

This is Villa Serrella 2 , and it's not just another property. It's a living experience. A project we renovated with a clear goal: to combine sustainability and luxury. The project has focused on energy efficiency and a life in contact with nature as its main pillars.

What makes it different?

3,325 m² of plot with its own vegetable garden and 273 m² of built area + 280 m² of terrace. 5 bedrooms, 4 bathrooms, and unobstructed views of green areas, the sea horizon in the distance and the Benidorm skyline . Quiet, elevated residential area , with no traffic or buildings that detract from the visual value. 3 closed parking spaces , without space or security problems. Premium porcelain flooring, kitchen with Arklam countertops, home automation, AJAX alarm, wine cellar, garden with fruit trees, and a turquoise pool.

And also...

Insulation and energy efficiency

The SATE system on the façade, the PVC carpentry, the Mitsubishi multi-split air conditioning, and the 95% efficient mechanical ventilation system with heat recovery make this villa not only beautiful but also smart and sustainable.
