Highlights & Location

Only 25 km from the historic centre of Ponta Delgada;

Great access and unobstructed views;

Ideal for tourism or industrial investment.

This property presents conditions for immediate use of an industrial activity.

However, given its versatility, this property has a lot of potential for the development of different types of housing and/or tourism projects.

The property has a great unobstructed view over the countryside and the sea, especially next to the area where the workshop building is located (as it is located in a higher area).

The property has good access and is located in an intermediate area between the parish of Ginetes, the parish of Mosteiros and the tourist area of Sete Cidades.

Thus, we highlight some areas of interest related to these locations:

- Blacksmithing and Thermal Baths

Ferraria Bathing Area: One of the main attractions of the island, with natural pools of geothermal hot water, perfect for relaxing baths.

Termas da Ferraria: A wellness space that offers therapeutic treatments with thermal waters.

- Monasteries

Mosteiros Natural Pools: Volcanic pools ideal for swimming, surrounded by a unique landscape.

Praia dos Mosteiros: A black sand beach with stunning views of the islets.

- Sete Cidades

Lagoa das Sete Cidades: One of the most emblematic natural wonders of the Azores, composed of two lagoons - the Blue and the Green - surrounded by green slopes.

Vista do Rei Viewpoint: One of the best spots to observe the lagoons is the village of Sete Cidades.

Santiago Lagoon: A quiet lagoon surrounded by dense vegetation, excellent for hiking.

- Trails and Hiking

Ferraria and Mosteiros Trail: A route that connects Ferraria to the coastal area of Mosteiros, passing through spectacular views.

Sete Cidades Trail: A scenic trail that runs along the banks of the lagoons and offers stunning views of the volcanic landscape.

- Nearby Viewpoints

Ponta do Escalvado Viewpoint: Imposing view over the west coast of the island, with emphasis on the islets of Mosteiros and the Atlantic Ocean.

Caminho Novo Viewpoint: Offers a charming perspective of the Várzea countryside and the Atlantic.

- Proximity to essential services

Small local shops, supermarkets and cafes in the parish of Ginetes.

Schools, pharmacies and other basic services just a few minutes away by car.

Energy Certification: Exempt from indicating the energy class when advertising for sale or lease, under article 4 of Regional Legislative Decree no. 4/2016/A, of 2 February.

NOTES: Information related to the potential of the property and possible future developments are only suggestions based on the physical characteristics and location of the property. Any claim to adapt or transform the property will have to be developed, at the expense of potential buyers, and submitted for municipal appreciation.

Energy Rating: Exempt
