Discover this exceptional FRONTLINE, luxury villa in Jávea, located just 1.5 km from the award-winning Granadella beach. Recently built, this property combines contemporary design, privacy, and breathtaking views of the Mediterranean and surrounding mountains.

A spacious carport and a separate pedestrian entrance welcome you to the property. From the moment you arrive, the impressive views set the tone for what's to come. A terrace on this level offers the perfect spot to enjoy the evening sun.

Inside, a beautiful wooden front door opens to a lift and staircase leading to the main living areas. On the first level below, you'll find three generous guest bedrooms, each with its own en-suite bathroom and ample built-in storage. Every room is individually styled and designed to ensure maximum comfort. The next level features a fourth en-suite bedroom, currently used as a gym, and a large master suite complete with a walk-in wardrobe, spacious bathroom, and jacuzzi area. All bedrooms enjoy stunning SEA VIEWS and access to a shared balcony.

On the lower floor, the open-plan living and dining area with a modern, fully equipped Siemens kitchen and central island offers a fantastic space for entertaining. A handy pantry, guest toilet, and large utility room complete this level. From here, doors open out to the spacious terrace with a heated infinity pool, outdoor shower, barbecue, and chill-out zone - all set against an unrivalled backdrop of the incredible coastline.

The villa is equipped with modern, energy-efficient features including discreetly positioned solar panels, battery storage, underfloor heating, and centralised air conditioning with individual room controls. High-quality Tecnal carpentry, an automated home management system, and electric blinds and shutters further enhance the comfort and convenience of this outstanding home.

If you'd like to arrange a viewing of this spectacular property, we'd be delighted to hear from you.
