Situated at the end of a quiet cul-de-sac, the property enjoys exceptional privacy and a relaxed Mediterranean lifestyle, surrounded by nature.

Fully refurbished in 2021, it boasts high-quality natural materials throughout. The bright and airy open-plan main living area flows effortlessly from the dining space to a comfortable lounge with a cosy pellet fireplace and a fully equipped kitchen. Perfect for year-round living, this main floor also features a convenient guest toilet with an integrated laundry area and has a direct access to a large sunny terrace. The downstairs level welcomes you with a spacious sitting room which offers direct access to the lower terrace, along with a utility/storage room. The lower terrace offers a summer barbecue area, a pergola with a pre-installed base for a jacuzzi, and an outdoor gym zone - all surrounded by a beautifully landscaped, low-maintenance garden with an automatic irrigation system.

Additional modern comforts include air conditioning in every room, gas central heating, underfloor

heating on the lower level, double glazing with mosquito nets and blinds, and fibre-optic internet. With parking at the entrance, serene forest views, and high-quality furnishings available by negotiation, this property is a rare gem on the Costa Blanca.
