Leírás:

The apartments are elegantly decorated to reflect the essence of the place, with a particular focus on blending practicality and comfort to make daily life easier for residents. The kitchens are fully equipped, and the services provided are of high quality to meet the needs of the residents, with some even enjoying superb views of a tree-lined garden. Each T2 apartment is meticulously designed to combine functionality and a cozy atmosphere, with charming décor. The spacious and carefully decorated common areas are intended to create friendly moments among friends and family. This residence offers an intergenerational environment welcoming a diverse clientele, ranging from professionals to students to the elderly.
