### Leírás:

Just 15 minutes by tram from the Paris Expo Porte de Versailles convention center, the Issy-les-Moulineaux aparthotel combines the elegance and comfort of 4-star accommodation, with wellness and environmental conservation. In this residential hotel, which has been awarded the BBC low-energy building label, a gym and luxury furnished apartments await you. It offers self-catering apartments, free internet access, free access to the fitness room and has a 24-hour reception. The apartments feature an underfloor heating system, a flat-screen TV with satellite channels, a sofa, wardrobe and safety deposit box. The private bathrooms are complete with a bathtub and free toiletries. The fully equipped kitchenettes include a refrigerator, microwave, dishwasher and kitchenware. An electric kettle is also provided. A breakfast is available daily with a supplement, private parking is provided on site at an extra cost, and a laundry service is available on site.
