Leírás:

This typical 3 rooms-flat is charming, renovated in an XVII century building. It is comfortable and well-equipped, in the center of Versailles. Really friendly, 45 m2, on the first floor with a private entrance on the ground floor in a calm courtyard. On the first floor a fully equipped kitchen is opened with the living room; a small and brand new (2022) bathroom and an access to the bedroom and a tiny office, dressing, or laundry room. Electricity and Internet are not included in the rent.
