Leírás:

In the heart of the Alto Garda Bresciano Park, in Tremosine sul Garda, the Residence "La Quiete" welcomes us with a ground-floor apartment and a spectacular 180-degree view of the lake.

Located in one of the most beautiful villages in Italy, this apartment boasts a privileged position to enjoy breathtaking scenery.

The interior features an open-plan living space with an open kitchen in the living area, with access to the terraced porch that boasts enchanting views of the Lake and Mount Baldo.

A master bedroom and a bathroom with shower complete the sleeping area.

The Residence enjoys a wonderful condominium pool, offering a perfect place to cool off during the hot sunny days on Lake Garda. This setting also provides a strategic vantage point for admiring the surrounding beauty.

Just a few minutes' drive away is the town center, where all essential services are located, including restaurants, bars, supermarkets, and more.

A spacious single garage owned by the property concludes.

Location

One of the best ways to reach Tremosine sul Garda is to drive the spectacular Strada della Forra: the eighth wonder of the world. That's what Winston Churchill called it, a breathtaking route that winds through the wild gorge carved by the Torrente Brasa, from the lake to Pieve di Tremosine sul Garda.

The town square is a balcony over Lake Garda from where there is a beautiful view.

In addition, the Thrill Terrace represents an unforgettable experience: a terrace suspended in the void at an altitude of 350 meters overlooking the lake. This vantage point offers a breathtaking perspective of the Lake and the Mount Baldo mountain range.
