Leírás:

Situated in a panoramic position in the hills of the charming town of Diamante, stone building in need of total restoration, surrounded by over 2 acres of land (8,470 sq m).

The ruin has a stunning view over the sea and town, as well as the famous ruins of the ancient Cirella, the old remains of the hamlet of Cirella and its castle dating back to 1600.

The property comes with planning permission for its restoration, to become a delightful stone built cottage with open plan lounge and kitchen area, 2 bedrooms and 2 bathrooms.

The land is fully fenced and has access via two sides.

On the Tyrrhenian coast of Calabria, Diamante is considered one of the best towns, lively all year round and famous for its jazz festival, annual chilli pepper festival and its 8km/5 miles of beach with pebbles, sand and little coves.
