This marvelous prestigious property surrounded by the dazzling bay of Baratti is currently up for sale. This complex is made up of several parts, sprawls over approximately 1,100 m² and comprehends a vast outside area of over two hectares of grounds. Furthermore, this structure enviable position, directly overlooking Baratti's beach, means it can be easily transformed into a luxury tourist accommodation facility where you can appreciate all the attractions offered by this beautiful and lively part of the Tuscan coast. Finally, the presence of another fifty hectares of land that may be acquired and added to the already vast extension of this property, could add further value to this already valuable property. rif.3007 <https://www.lionard.com/refined-property-framed-by-the-bay-of-baratti.html>
