Leírás:

Investment opportunity in the heart of Cancun!

2 magnificent buildings for sale with a total constructed area of 3200 m², accompanied by 2 additional plots of land totaling 1600 m². This property is located in one of the most central and strategic areas of Cancun, surrounded by all the necessary services and with enormous development potential.

Property features:

Prime location:

A few minutes from supermarkets, offices, businesses, restaurants and public transportation with direct access to the hotel zone.

Mixed land use:

Allows the construction of up to 8 floors, ideal for residential, commercial or educational projects.

Current construction:

2 buildings in excellent condition, 20 years old and impeccably maintained.

Robust and functional structure, ready to be inhabited or adapted to new needs.

Large and versatile plots:

Perfect spaces for expansions, parking lots or new constructions.

Potential uses:

Educational institution:

Ideal for schools, universities or training centers thanks to its layout and size.

Real estate development:

Take advantage of its central location to build residential apartments, offices or even a boutique hotel.

Corporate space:

Perfect for companies looking for spacious and functional offices in a central location.

Additional advantages:

Area with high demand for real estate and constant growth.

All public services available: water, electricity, and transportation.

Wide possibilities for customization and expansion for any type of project.
