Leírás:	

This spacious building plot of 1,770 m² in Canoa Quebrada offers an excellent opportunity for developers who are planning vacation apartments or a hotel project. The location, just a few minutes' walk from the turquoise Atlantic Ocean, allows the construction of luxurious accommodation with breathtaking sea views - perfect for Brazilian and international vacationers. The increasing demand for high-quality vacation properties in the region makes this plot a valuable investment.

The project is for sale as a partner in the original planning has unfortunately passed away. A detailed calculation is already available for the planned apartment complex and the local seller is prepared to offer support in the realization of the project. This offers the buyers not only planning security, but also the opportunity to continue the project smoothly.
