Leírás:

Located in Greenwich.

This stunning plantation spans over 46.46 acres of uninterrupted views of the platinum coast in Barbados. It is ideally located minutes from the hustle and bustle of Holetown where you can find the best-rated dining, shopping, beaches and other amenities.

Greenwich plantation currently has 8 houses plus 1 dilapidated chattel house, a milking parlour and a milk room along with 2 garages. It is currently being used as a small dairy farm and antique shop. Provisions are in place to change the current dynamic of the plantation when purchased.

The main villa at Greenwich plantation exudes magnificent sea views in one of the quietest, serene, picturesque and of course central location.
