We are pleased to offer this 2-storied house, located in a nice

village with a shop, local pub, regular buses and other amenities. The village is 50 km to the regional centre – the town of Pleven where there are many shops, banks, hospitals, Medical University and anything else that a big town could offer. The town of Levski is only 5 min by car.

The property offers a plot of land with an area around 2000 sq.m., two-storied house with terrace, and big barn and other outbuildings.

The house consists of a big kitchen with dining area, separate living room, a corridor, two bedrooms, one currently, used like 2 nd living room, bathroom with toilet. An inside staircase leads to the attic floor, which is distributed between 1 bedroom with nice terrace, space for storage and one more room, which needs fully renovation.

The garden is leveled with solid outbuildings which could be transformed in a work shop, gaming room etc. The garden is very sunny with various plants and it needs some maintaining to become in a nice and private garden. Coming on very reasonable price, this is a great property which is ideal for second home abroad. Call us now and arrange a viewing!
