Leírás:

The fully equipped and modern apartment with high-quality furnishings is located in the west of Frankfurt in a quiet and at the same time urban location, in the middle of the Rödelheimer Gründerzeitviertel and only a few steps away from Brentanopark and Nidda. The house was completed at the end of 2019 and has optimal transport links: S-Bahn and U-Bahn are 600 and 700m away respectively. The connection by car is also excellent: 5 minutes to the highway and 15 minutes to Frankfurt Airport. The main train station can be reached by suburban train in 9 minutes. All shopping facilities are located in the immediate neighborhood. The elevator takes you directly from the underground garage with its own parking space to the mezzanine floor, where your apartment is located. The spacious and bright entrance hall of the apartment is followed by a modern and at the same time comfortably furnished living and dining room with open kitchen. A large window front with two double doors grants access to the covered balcony, which can also be accessed from the bedroom. The spacious bedroom offers a double bed and a large closet. A complete workstation with corner desk, chair and LED reading lamp was also set up here. In the bathroom with shower and real glass partition you can expect a large mirror with good lighting, a towel heater and a washer-dryer combination device. The equipment (solid oak parquet) is aimed at tenants who do not want to compromise. Your apartment will be handed over fully equipped - including high quality furnishings, cooking utensils, crockery, cutlery, towels, bed linen and change of linen, ironing board and iron and much more). The rent includes internet, HD-TV and an underground parking space.
