The apartment, which was completely refurbished and renovated in 2018 and is located on the first floor, will be ready for occupancy on 02.04.2024. It should be emphasized that the apartment is rented fully furnished. Overall, the apartment impresses with its upscale furnishings, including in the kitchen. Everything has been taken care of here: Equipment with brand appliances (Siemens) at a comfortable working height, a hot plate, large side-by-side refrigerator, induction hob and much more. The practical serving hatch between the kitchen and living room saves you a lot of walking. The heart of the apartment is a large living and dining room with a fireplace, which radiates great warmth in winter. You can watch the flames from both the dining room and the living room.
