Leírás:

Querallee - Kassel West The 1 room apartment offered here is located in the sought-after district of Kassel Vorderer Westen. A good infrastructural connection with the tram allows you short distances to the city center as well as a high leisure and recreational value. All day-to-day facilities such as doctors, pharmacies, shops, several gas stations and all types of schools can be easily reached from here. The historic area around the Bebelplatz also inspires with numerous regional shops and traditional cafés as well as modern restaurants. The ICE and long-distance train station Kassel Wilhelmshöhe can be reached in less than 8 minutes by tram.
