Best location in Munich. In the most beautiful Lehel, between Prinzregentenstrasse and Maximilianstrasse, as well as the Altstadttring and in the immediate the Isar, this listed property with only seven residential units is located in a quiet residential street. only seven residential units. Lehel is one of the most sought-after districts in Munich. This is due to the beautiful old buildings and the proximity to Munich's city center. The image of entire streets is characterized by magnificent old buildings. Probably the most beautiful section of the Isar - between the Friedensengel and the Maximiliansanlagen to the Praterinsel - is practically on the doorstep. The same applies to the world-famous English Garden. Museums such as the Haus der Kunst or the National Museum are within easy walking distance, and Munich's entire cultural offering with the Prinzregententheater, Nationaltheater and much more is also just a stone's throw away. away. There are plenty of shopping facilities in the immediate vicinity. The "Lehel" subway station is just a few minutes' walk away. Cheers your Host
