Leírás:

This detached easy living one level Chalet sitting in a large flat plot of 4,368m² is a must see. Located out in quiet countryside but not far from the towns of Alcaudete and Alcalá la Real. The entrance to the property is via a short track off the main road. Open the gates and a gentle slope leads to the front of the house which faces the land. There are lots of various fruit trees and space enough to grow anything you want with plenty of water from its own well too. With several out buildings to house tools or to use as a workshop or maybe an annexe. On entering the front door you find yourself in the living area with fireplace and open plan kitchen off to left. To the right there is the bathroom and next to that is a bedroom. Straight ahead and through an arch there are three more bedrooms. The swimming pool is in the top right hand corner when entering the property. The owner offers a possibility of buying less land (approx 2,600m²). A lovely, quiet, private property with lots of potential, it would be easy to go off grid here.
