Reference: 04085. We are delighted to present this wonderful duplex in one of the best locations in Los Gigantes. This property has been completely renovated, including a high-end kitchen with modern appliances, and the entire home has been renovated with modern white colors. Upon entering the home, you will find a bathroom with shower on your right. Continuing inside, you will find the kitchen on the right and the staircase leading to the upper floor on your left. From the kitchen, we go down a couple of steps and reach the living room and dining room. This bright space has large windows and sliding glass doors that give access to a fantastic terrace. From the terrace, with 49m<sup>2</sup>, you can enjoy a panoramic view of Los Gigantes, the Atlantic and the neighboring islands. It is the perfect place to gather with family and friends, with space for a dining table, sofa areas and sun loungers. Going up to the upper floor, you will find two double bedrooms with windows that allow in plenty of natural light. From one of the rooms, you can access a 4m<sup>2</sup> balcony, with equally spectacular views. It's the perfect place to start your day with a cup of coffee and make plans for the day. Also on this floor is a completely renovated bathroom, with a shower and a bathtub located in front of a wall-to-wall window with views of the Atlantic. This home is truly special, and the renovation has been carried out with great care, thinking about creating a modern space where you can enjoy wonderful moments. The home is sold unfurnished, allowing the new owner to furnish it to his liking. The complex has a communal pool. You can buy a parking space for the price of 22,000 Euro, in the building in front of the complex.
