Leírás:

This charming property, near the coast, needs the present renovation to be finished, located in an elevated, sought after location, in the small hamlet of El Toril, in the Alcaucin area of Malaga in Andalusia, Spain. If you are looking for a property to reform it to your own taste, this is a great opportunity. With the main work completed, this is now an ideal DIY project or to instruct a local tradesperson to complete the transformation to your own specification. With its incredible features: 4 bedrooms, 2 bathrooms, large sun terrace, kitchen, living room with a fireplace and spectacular mountain views. The property is located at only 10 minutes from all amenities and less than 30 minutes from the beach. This area also offers different hiking trails and a constant state of peace. The house under construction is divided into three floors, with the top floor being the terrace of the property, where you can enjoy the sunshine and those wonderful views. Whether you want it for yourself or not, this property has a great investment potential, with a possible B&B option.
