NEGOTIABLE! Spectacular Finca with a pool, 3 spacious bedrooms plus a 1 bedroom annex all built on a plot of 3,055 square meters that is well established with the planting of olives, almonds, lemons, and apple trees. The property is located very close to the A-402 road that links the provinces of Malaga and Granada crossing the famous Boquete de Zafarraya in Andalusia, Spain. From the Finca you can see spectacular views of the countryside, the mountains, the town of Alcaucin, as well as Torre del Mar and sometimes the mountains of Morocco. This property was built to a high standard and all its spaces and facilities are very well presented. The property has a 24 hour security system and internet. At the back of the house there is an annex with 1 bedroom and ensuite bathroom. The property boasts wonderful outside spaces for alfresco dining and entertaining as well as the swimming pool area all having those dramatic countryside and mountain views. The owners have a vegetable garden with aubergines, onions, tomatoes, peppers, parsley and basil plants. This property will be more appreciated if visited. THIS REALLY IS THE "GOOD LIFE" Spanish style.
