Leírás:

Flat plot for sale in Cap Blanc, Moraira

A generous, flat plot for sale in Moraira. Located in the sought-after Cap Blanc area, close to the supermarket, pharmacy and several restaurants. The cosy centre of Moraira and the popular sandy beach Ampolla is about 3.5 km away, but the beautiful Punta Estrella is only 900 m from this plot.

The plot is 'urbano' and offers the possibility to build a villa (max 319m2) to your own taste. But it is also extremely suitable for a commercial destination, e.g. a small hotel, office etc.

There is water and electricity, street lighting, pavements and it already has access for cars.

There are not many plots for sale with such a central location as this one. So do not hesitate to contact us and discuss the possibilities.

The displayed price does not include taxes and purchase costs / The offer is subject to errors, price changes, availability, omission and / or withdrawal from the market without prior notice / Furniture and contents according to personalized agreement and not according to the photos in the presentation[IW]
