Near Pontorson and Mont-St-Michel: Stone house of approximately 120m2 to refresh, with garden and outbuildings & garage. The house, with a recent Air / Water heat pump, offers:

- Ground floor: A large living room / lounge with fireplace, a kitchen, shower room and toilet.
- Upstairs: a large landing serving 2 bedrooms, one of which has a sink.
- Opposite the house: a large stone outbuilding.
- At the back: a garage and a garden with a well.

The house has benefited from external insulation and has a good energy rating.

However, some interior improvement work will be required.

Apologies for the For Sale overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
