This unique apartment is for sale on the famous Passeig de Gracia, right next to the famous Casa Batlló! Currently being prepared for renovation (the images in the listing are a design project), the project can still be adapted to the size and tastes of the client.

This apartment has a large living room with two small balconies and breathtaking views of Passeig de Gracia. It has three bathrooms and four bedrooms, two of which are suites with access to a gallery-terrace overlooking a quiet courtyard, perfect for enjoying the tranquility in the heart of the city. Built-in wardrobes provide ample storage space, while heating and air conditioning provide maximum comfort all year round.

Situated in a classic modern building with an elevator and concierge service, the apartment is on the third floor and is completely exterior, providing excellent natural light. The living room faces north-east, providing light in the morning, while the bedrooms face south-west, providing light during the day.

Thanks to the high-quality renovation, this apartment will become one of the most exclusive in the area.

We will sell your apartment or house.
