Zoned ATO offering incredible potential for a luxury resort or oceanfront condo development.

Supplements The furniture of the restaurant or other businesses is not included in the sale price. The registered trademark ZIPPER's would be included in the sale price if the purchase offer is at full price or near the asking price. Even without the registered trademark this place has great potential and a bright future as it has 40.26 m2 of beachfront something very unique that makes it a special place. Whether you want to operate it as a business and continue receiving rental income or build a project from scratch it offers a lot of potential.
