Leírás:

This large property is perfect to develop a tailor-made and sizable home or a housing project. The total area of this plot includes an area of approximately 3,800 m² within land classified in Loulé's Municipal Master Plan (PDM) as a Zone to Be Structured, allowing for the construction of one or more villas.

This privileged location offers the best of both worlds: convenient access to all of Loulé's amenities, services, and leisure activities, combined with the tranquility of the surrounding countryside. The property boasts open views across the landscape, ensuring privacy and a peaceful living environment.

Additional advantages include the proximity to essential utilities such as mains water, sewage, and electricity, as well as easy access via a tarmac road.

This is an ideal setting for building a dream home in the Algarve or for a promising investment. - REF: 1009-2383
