Traditional house, located in Bordeira - Aljezur, consisting of one single storey with 95 sq.m, on a plot of 250 sq.m and inserted in a big piece of land of 8250 sq.m.

The house features 7 rooms, of which : 3 bedrooms, 1 bathroom, 1 kitchen, 1 living room and 1 dining room. Outside, in addition to plenty of surrounding space with flowerbeds and fruit trees, we also have a garage and a porch with a wood oven and BBQ.

The house is supplied by water coming from the borehole existing in the land, at the back of the house. The property is in relatively good condition, considering its age, and it is just in need of some improvements.

Besides the house, we have 8000 sq.m of land, divided at the rear and at the front, which can be explored in different ways, requiring prior consultation with the Aljezur City Hall, in order to find out what the possibilities are.
