Ruin and land for sale in Pedrogão Grande

The ruin of 68 sqm sits on an urban plot of 110 sqm and is classified for habitation. It is situated at the top of the land just off the track and is waiting for its new owners to transform it into a home.

The land covers 3382 sqm and is terraced in stone down to the flat area next to the stream which borders the property.

It has good sun exposure and is a perfect location for an off-grid project.

Located in a quiet area, with no neighbors and surrounded by nature, it is 15 minutes or so from Pedrogão Grande and also close to Castanheira de Pera where you can find everything you need for daily living.

IAD was founded on May 1, 2008 in France and its expansion began in Portugal in 2015, making the difference right from the start, being an “out of the box” real estate company by betting 100% on digital. The properties are distributed to close to 220 national and international portals. It has close to 1000 consultants in Portugal who accompany you throughout the sales and purchase process.
