Leírás:	

Located next to the prestigious Albufeira Marina, this building presents an interesting opportunity for rehabilitation and development. Comprising a restaurant on the ground floor and four flats on the upper floors, it offers wide and privileged views over the marina and the ocean.

The property is in a state of repair that requires significant intervention. The restaurant, which seats 76 people, is in need of complete refurbishment, but offers a good basis for developing a new gastronomic concept in a place with high tourist traffic.

On the upper floors, there are four flats - one 3-bedroom and three 2-bedroom - which require complete renovation. With the right refurbishment, these spaces could be converted into mid- to high-end local accommodation units or long-term rental flats.

Its location, just a few steps from the marina, the beaches and various services, makes this property particularly attractive to investors looking for a project with a margin of appreciation in the medium term.
