Pont-de-Beauvoisin (Savoie) – A home to live, love, and share

This isn't just a house. It's a place to breathe, settle in, picture summer barbecues, kids playing in the yard, or cozy afternoons inside. In short, a real home.

Tucked away in a peaceful neighborhood with no shared ownership, this detached 2008-built house ticks all the boxes:

- 4 bedrooms, because everyone deserves their own space (especially teenagers)
- Two bathrooms, one ready to be finished upstairs (plumbing and electricity already in place)
- A bright living area with an open, fully equipped kitchen, perfect for hosting or enjoying daily life
- A flat, sunny 813 m² garden, with room for a pool and a lovely southeast exposure
- And even a converted, insulated garage – now a workshop or creative space, ready for your hobbies or future projects

You'll also find central vacuum system, space for a wood-burning stove, and private parking for up to 4 cars. And yes, school transport is nearby – we thought of everything.

Upstairs, two bedrooms and a bathroom to finish just the way you like. The essentials are ready, just bring your touch.
