A restored house located in the pretty village of Verteuil-Sur-Charente. The house has double glazing, central heating with an electric boiler and it is connected to the mains drainage. On the ground floor a fitted kitchen with dining area, a bright living room with 2 windows. There is also a toilet on the ground floor. Upstairs an office that can be used as an occasional guest room, a large bedroom with its own macerator toilet. There is also a shower room on the first floor. On the second floor an attic that can be converted to create a second bedroom and private shower room. Another positive point is that the roof and its wooden structure were redone about 10 years ago.
