Leírás:	

For sale is an attractive large building plot of 3,623 m2 located in a quiet location in the municipality of Tinjan, in the very heart of Istria - only a 20-minute drive to Poreč and the west coast. The land is regular in shape, slightly sloping, ideal for building a family house, villa with a swimming pool or several residential units. Thanks to the area and location, it is also possible to parcel or tourist investment. Possible construction of a P+1 building or several smaller villas. Infrastructure is located near the land. Ownership is 1/1. There is no encumbrance. In addition to the building plot, there is the possibility of purchasing an additional 1,547 m2 of agricultural land that abuts the main plot at a price of 8 euros/m2. The additional area offers numerous possibilities for use - from arranging a sports field, children's playground or tennis court, to forming a private orchard, olive grove or space for recreation and spending time in nature. We are at your disposal for more information!...
