Welcome to Casa Seaside, a luxurious single-level ocean view home for sale in Pacifico, one of the most sought-after gated communities in Playas del Coco, Guanacaste, Costa Rica. This exquisite 3-bedroom, 2.5-bathroom residence offers the perfect combination of elegant design, modern comfort, and tropical outdoor living—making it an exceptional choice for full-time living, vacationing, or generating rental income.

Completed in late 2022 and lovingly maintained by its original owners, Casa Seaside sits on a generous 1,832 m2 lot—nearly half an acre—surrounded by lush landscaping and mature trees that provide

privacy, shade, and a peaceful ambiance. The home includes 3,018 sq. ft. of total construction, featuring 1,330 sq. ft. of refined interior living space with central air conditioning, 754 sq. ft. of covered ocean-view terrace with a full outdoor kitchen, a two-car garage, and a breezeway perfectly positioned to capture morning light.

The heart of the home is a bright, open-concept living area that flows seamlessly from a modern chef's kitchen to a cozy, welcoming lounge with wood beam ceilings and large windows that frame the ocean beyond. The kitchen is outfitted with high-end stainless steel appliances, white hardwood cabinetry, a spacious central island, and a double-door refrigerator—ideal for entertaining or enjoying casual family meals.

The primary suite is a private retreat, opening directly to the terrace and pool with full ocean views. It features a spa-style bathroom complete with a soaking tub, walk-in shower, double vanity, and picture windows that let in golden-hour light. A spacious walk-in closet provides ample storage and convenience. Two additional guest bedrooms also offer ocean views and share a well-appointed full bathroom, with one room furnished with twin beds and the other with a queen. A powder room near the living area ensures comfort for visitors.

Casa Seaside was designed to embrace outdoor living. The expansive covered terrace includes a built-in grill, flat top, sink, and refrigerator—perfect for sunset dinners or poolside afternoons. The landscaped yard is flat and functional, and an outdoor shower makes beach life easy and refreshing. Remote-controlled window treatments, ceiling fans throughout, an irrigation system, and elegant, high-quality furnishings add to the home's turnkey appeal. Never rented and gently lived in, the property is in pristine condition.

Beyond the home, the Pacifico community offers unmatched lifestyle amenities, including a private Beach Club with oceanfront dining, multiple infinity pools, a jacuzzi, and cabanas for relaxing by the sea. Residents also enjoy access to family and adult-only pools, scenic nature trails, a seasonal waterfall, a sports complex with tennis and pickleball courts, a shaded children's playground, and a boutique gym with wellness programs and classes. The on-site Retail Village includes cafes, restaurants, boutiques, and one of Costa Rica's best-stocked grocery stores—making daily life as effortless as it is luxurious.
