Fabulous finca for sale in El Molar, La Marina on the Costa Blanca, a short ride to the beach and with the most fabulous hacking / hiking in the hills and pine forests!

The property has a current REGA number for 5 horses which can easily be increased, 2 paddocks (one big and one small) with electric fencing, an arena for classes which could also be used as another paddock, 5 stable boxes with automatic watering systems, hay storage, water storage containers - its ready to go! The finca is in use so its currently well maintained and looked after.

There is also a villa on the land which has a living room with kitchenette, bathroom and 3 bedrooms. The property has no water and electric so would need solar panels and a water tank installing, so it is for a summer house / weekend house or someone who would like to live off grid, somewhere peaceful in nature and a short horse ride to the beach!

This property is perfect for someone who would like to live with their herd, or even someone without horses who would like to live in tranquility but well connected to towns and services. Contact us today for more information!
