Located in a quiet hamlet close to the town of Sauze-Vaussais, which offers all amenities including shops, schools, and services, this large country home offers generous space and great potential.

Modernised in 1974, the property features five spacious bedrooms, two of which are on the ground floor. While some windows are still single-glazed, the home benefits from good thermal insulation, reflected in its D-rated energy performance certificate (DPE).

Set on a plot of approximately 6,000 m2 and entirely detached, the house enjoys a calm, private setting.

There is also the option to purchase additional adjoining land of approximately 3 acres.

The various outbuildings present excellent potential for extending the living space or developing an independent activity such as a gite, studio, or workshop.

Easy access to main road links connecting to Niort, Angoulême, Poitiers, and Limoges.
