2+1 bedroom apartment with a total area of 121.5 sq.m, for sale in Almádena - Lagos.

Located just 10m from the city of Lagos and 5m from the nearest beaches, this property is located on the ground floor, in a small building of only 2 floors.

Property facing east and west, it has a living dining room, 2 bedrooms with built-in wardrobes, a bathroom, with bathtub, and a fully equipped kitchen, which gives us access to a great and pleasant terrace with unobstructed views over the countryside, which in addition to being large also offers a laundry room with storage space, and an annex, where we have another bedroom, an office and a toilet.

This backyard is a great space to enjoy some good grilling with the family, set up a pool to cool off on the hottest summer days, or simply relax, sunbathe and read a book.

Ideal for those looking for an apartment with good areas, good outdoor space and located in a quiet place, but not giving up the proximity to beaches, golf courses, city and other amenities.

Don't miss the opportunity to fall in love with this special and welcoming refuge that this village offers.
