Leírás:	

In the heart of a charming stone village in the Périgord, perched 150 m away and offering a splendid view of the Excideuil valley and its castle, is this pretty little country house of 60 m2 and its pleasant garden. It consists of 3 main rooms with oak floors: a living room fitted kitchen with its large fireplace opening onto a 2nd room serving either as a bedroom or as an extension to the main room, then a bedroom with separate toilet and shower room. An adjoining barn allows an extension of the living area and a cellar in the basement complete the whole. The electricity has been redone, the attic insulated, the joinery is in double-glazed PVC. On the land, buildable and suitable for a swimming pool, apple and fig trees provide pleasant shade for a short nap in summer, and several hiking trails invite you to go for a walk.
