## Leírás:

This beautifully restored town house is in Alcaudete, Jaen province, Andalusia. Situated on a quiet, no through road with a covered roof terrace and an open terrace with hill views. Enter into the house via the lovely wooden door with stairs immediately on the right and into the dining room. Through the dining room passed an under stair storage cupboard is the fully fitted kitchen with antique wood burner. A door leading to a corridor off which is the bathroom and steps up to the covered terrace. Upstairs there is a landing with two bedrooms off it and more stairs to the large top room which at present is used as a living room but could also be a third big bedroom, from here is an access door to the roof terrace with hill views beyond the town. This is a lovely ready to go property that comes furnished.
