Klanjec, Gredice An exceptionally attractive hospitality and tourism complex with a long-standing reputation is for sale, located just minutes from the Slovenian border, in a peaceful and picturesque setting near the town of Klanjec. The property, with a total area of 1,150 m², consists of a spacious commercial building and a detached family house, sold exclusively together.

The commercial part, with an area of 900 m², is designed for year-round operation. It features a restaurant and café bar, nine accommodation units with a total of twenty-two beds, a spa center with sauna, indoor pool, jacuzzi, massage room, and a wine cellar for intimate gatherings and tastings.

In the landscaped courtyard, there is an outdoor swimming pool, gazebos with wooden tables providing a pleasant ambiance for socializing, as well as a small zoo – a unique attraction that appeals to families with children and enriches the tourist offer.

Adjacent to the terrace of the commercial area is a 250 m² house, spread over two floors, each with a fully equipped apartment. This part can serve as a comfortable private residence, staff accommodation, or additional guest capacity, providing maximum flexibility to the future owner.

The estate has exceptional potential for modernization and business expansion. Proximity to the Slovenian border allows targeted marketing toward the Slovenian market, while an already initiated new project provides an opportunity for quick continuation of development. More than forty years of successful business tradition have ensured a stable clientele and strong market recognition, with guests coming from all parts of northern Croatia and Slovenia.

This is not just a property, but an opportunity to continue a successful business story and elevate it to a

new level. The combination of an excellent location, diverse facilities, and a long business tradition makes this complex a rare offering on the market – perfect for investors and entrepreneurs seeking a secure and long-term investment in tourism and hospitality.
