Leírás:

For sale Algorfa new luxury villa with beautiful views of mountain landscapes.

This model has two levels and upstairs there is the master bedroom with the bathroom ensuite, in the second level there is a terrace with a very impressive view. Thasos Villas are located in two corners with very spacious plots. This model is the largest in the Residential area with 4 bedrooms and 3 bathrooms.

You are in a very beautiful valley amid lemon and orange fields and only 15 min from the sea, in a completely new neighbourhood.

 You can go out to several classy restaurants on foot or choose to snack within 10 min walking distance.

The property is located on a very well known golf course. Here I want to emphasise that you pay nothing to the golf. It is the golfers who pay for the green, not you. The streets are owned and maintained by the village of Algorfa.

The area consists of different types of villas, houses, penthouses and single-floor flats. A lot of attention has been given to a green ecological garden.

A golf village is an ideal place to enjoy. Do you like : To a Spa centre ? To a Gym centre ? A wine tasting ? To a good restaurant ? Relaxing by the pool ? Playing golf ? Go cycling ? Going to the sea ? Go to the mountains ? Play football? And thousands of other fun things to do? THIS IS THE PLACE TO BE !
