Leírás:	

This charming detached villa offers generous outdoor space, a private swimming pool, and its own garage. The property is divided into two separate living units, making it ideal as a multi-generational home, a residence with a rental unit, or a family home with a dedicated children's/teenage area. Perfect for large families!

Located in the sought-after area of Quesada, the villa enjoys a prime position within walking distance of the town center and just a short drive to the La Marquesa golf course. The property also features a private solarium with stunning views. Multiple outdoor seating areas.

Some upgrades to the villa itself should be expected, as the house has undergone several modifications and extensions since its original construction year.

A property full of potential and possibilities!
