Leírás:

Located in Ameijeira, near the Post Office, we propose for sale this 30.40 m2 garage, perfect for housing any vehicle.

If it is not for parking cars or motorcycles, it can also be an excellent option as a warehouse.

It is located in the basement of a residential building, with excellent access, without unevenness.

The common gate is motorized and activated with a key and command.

The garage itself, on the other hand, has manual opening and slides sideways.

There is a possibility of having water and electricity, although they have never been placed, since the facilities exist on site.

Being quite deep, it becomes versatile, allowing both parking and storage simultaneously.

Garages like these are few in the city! Don't miss your opportunity. - REF: GAR/322
