Leírás:	

We present this cozy house of 68 m² built, located on a fourth exterior floor that guarantees an excellent entry of natural light and unobstructed views. The property is distributed in three bedrooms, a bathroom and a living room with direct access to a pleasant balcony, ideal for enjoying the outdoors without leaving home.

In good condition, the property has built-in wardrobes that optimise storage space, as well as air conditioning, providing comfort throughout the year. Although the building does not have an elevator, its location on the top floor compensates for it with an enviable luminosity.

An excellent opportunity for both families and investors looking for a functional and well-equipped home.
