Family house for sale in Jelgava

This is a single-story house with an area of 129 m², suitable for a family that appreciates thoughtful planning and comfort.

The building has two separate bedrooms, a bright living room with a kitchen and dining area, a spacious bathroom, and a utility room with a large built-in wardrobe. The kitchen is equipped with everything you need for everyday life, while the bedroom has a built-in wardrobe.

Comfort is ensured by autonomous gas heating – with heated floors in the living areas and radiators in the bedrooms. In addition, an air conditioner-heat pump has been installed, and the temperature can be regulated separately in each room. The house is connected to the city water and gas networks, has bio-sewage, an alarm system and smoke detectors.

The 1326 m² plot of land is well-maintained and convenient for everyday use. Access is provided by automatic gates, paved paths, a carport for two cars, a farm building and a children's playground. Fruit trees and bushes grow in the yard, while tall thuja provide privacy.

The location of the house is one of its advantages – convenient access to Riga, shops and public transport nearby. The neighborhood is quiet and safe, created for peaceful family life.
